Your Season is... Bright Spring!

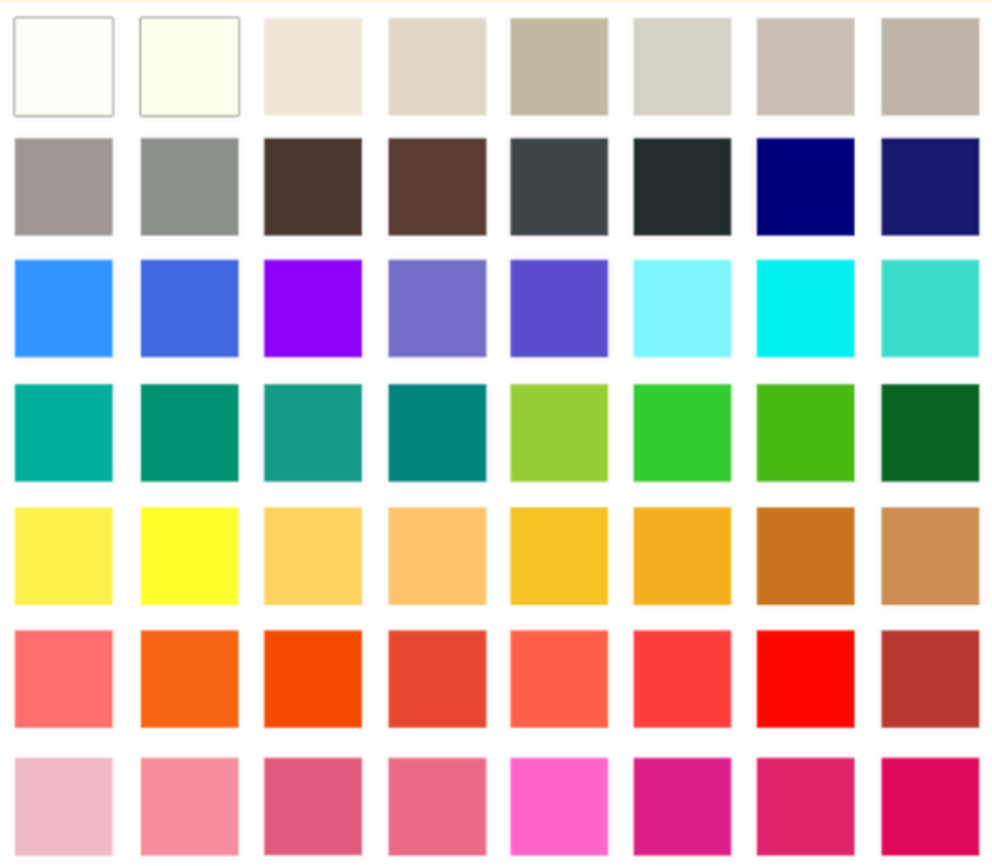

Clothing Options:

The Bright Spring palette is characterized by vibrant, warm, and highly saturated colours, like the vibrancy of spring sunlight and blooming flowers.

In your neutral clothing, you should opt warm taupes, soft camels, or creamy off-whites to balance the brightness of your palette.

For accent pieces, you can incorporate vibrant yellows, corals, bright turquoises, and lime greens for a cheerful pop of color.

Jewelry Options:

If you prefer metal jewelry, you should choose gold to harmonize with your warm undertones, but you can also experiment with brighter finishes like polished gold.

For gemstones, you can consider warm-toned stones like peridot, coral, bright topaz, turquoise, and citrine to enhance your natural tones.

Some celebrities that are also Bright Spring include...
