Your Season is... Soft Summer!

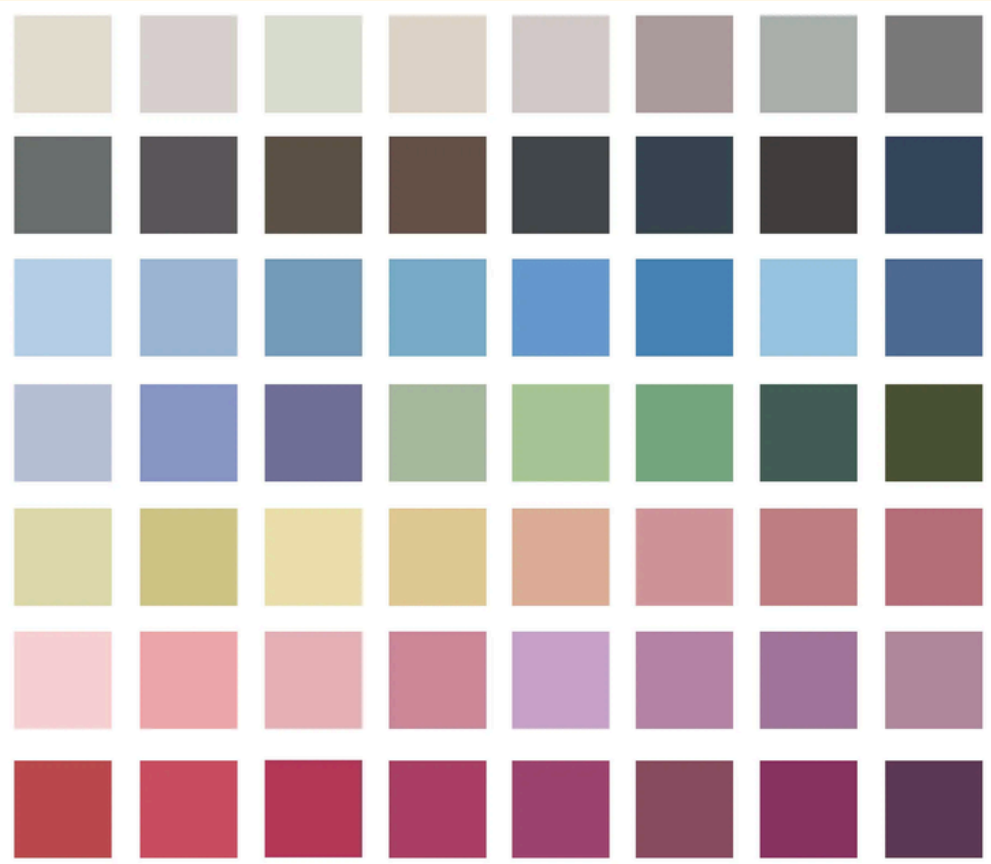

Clothing Options:

The Soft Summer palette features gentle, muted, and cool hues, embodying the tranquil vibes of misty mornings and serene landscapes.

In your neutral clothing, you should opt for soft greys, taupes, and muted browns for an elegant look.

For accent pieces, you can incorporate dusty pinks, lavender, soft blues, and sage greens to add a subtle splash of color without overwhelming your natural softness.

Jewelry Options:

If you prefer metal jewelry, you should choose silver or white gold to complement your cool undertones. Rose gold can also be a flattering option, if it leans towards pink.

For gemstones, you can consider light citrines; amethysts; blue calcite; and angelite.
