Your Season is... Soft Autumn!

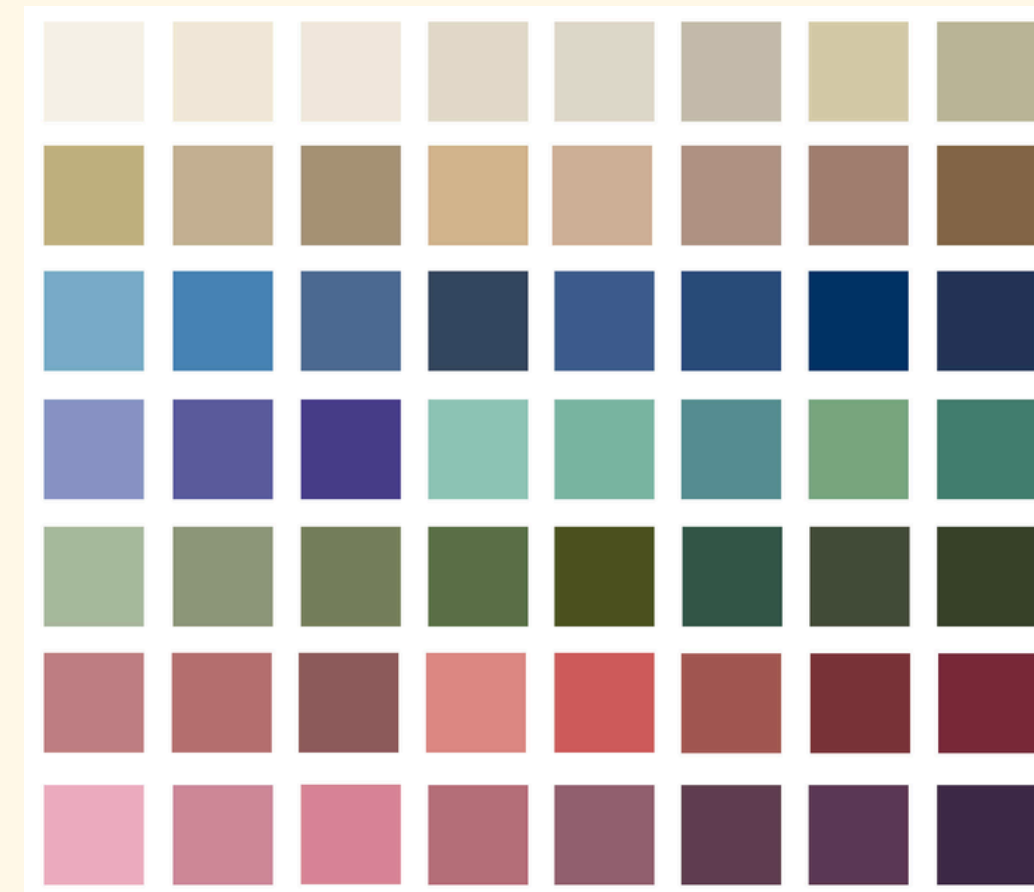

Clothing Options:

The Soft Autumn palette is muted, warm, and earthy colors that evoke the transition of late summer into fall.

In your neutral clothing, you should opt for soft taupes, warm greys, and muted browns to maintain a harmonious look.

For accent pieces, incorporate warm olives, dusty mauves, soft corals, and gentle golds for understated sophistication.

Jewelry Options:

If you prefer metal jewelry, you should choose antique gold, brushed bronze, or rose gold for a gentle, warm effect.

For gemstones, you can consider soft, muted colouring, such as peach moonstone, smoky quartz, moss agate, and muted amber.
