Your Season is... True Summer!

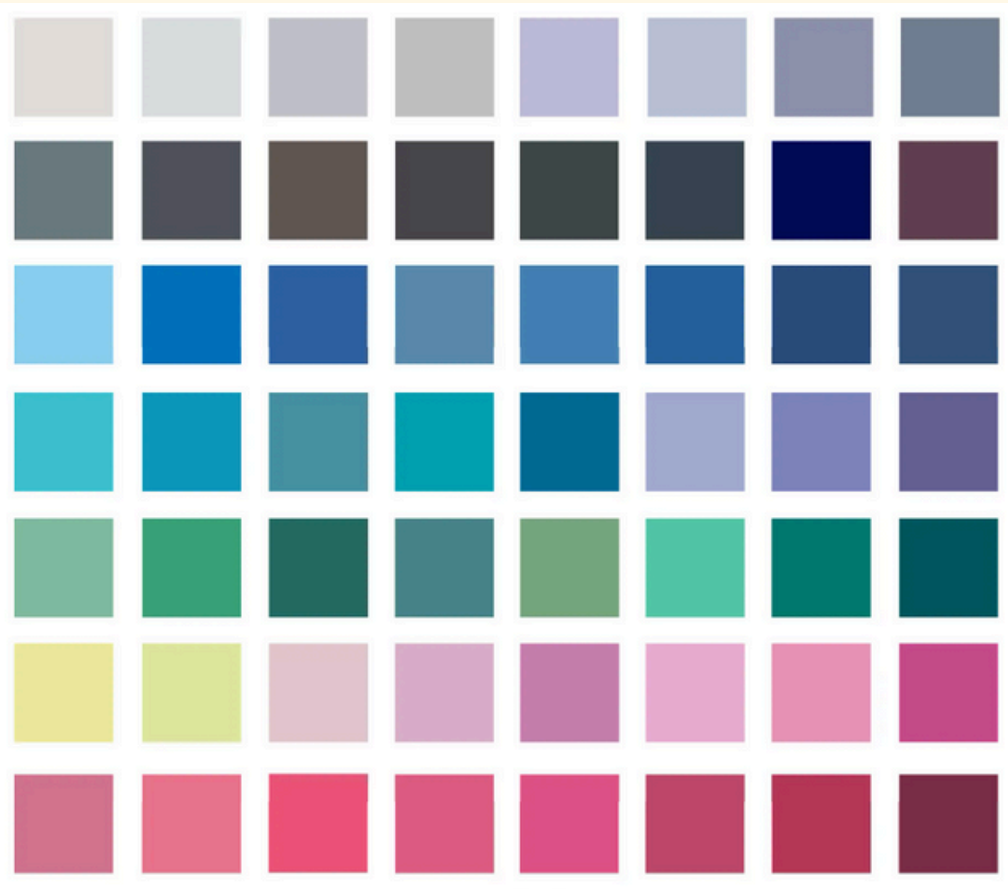

Clothing Options:

The True Summer palette features cool, serene, and refined colours. The vibes are reminiscent of tranquil waters and delicate blooms.

In your neutral clothing, you should opt for soft whites, gentle greys, and taupe shades (like mushroom and driftwood).

For accent pieces, you can incorporate cool blues, soft pinks, and muted purples into your outfits to add a subtle vibrancy.

Jewelry Options:

If you prefer metal jewelry, you should choose silver or white gold to complement your cool undertones.

For gemstones, you can consider white, pink, or grey pearls; moonstone; rose quartz; blue and pink sapphires; aquamarine; amethyst; tanzanite; and pink or blue tourmaline.
