## Your Season is... True Autumn!

## Clothing Options:

The True Autumn palette is characterized by warm, muted, and rich colors, the same vibes as a walk through an autumn forest.

In your neutral clothing, you should opt for warm beiges, camel, and light browns to harmonize with your warm undertones.

For accent pieces, you can incorporate warm greens, golden yellows, orangey reds, and golden browns to add depth and vibrancy to your outfits.

## Jewelry Options:

If you prefer metal jewelry, you should choose gold to complement your warm complexion.

For gemstones, you can consider bright, cool-toned stones such as peridot, citrine, and coral to enhance your natural tones.
