Your Season is... Dark Winter!

Clothing Options:

The Dark Winter palette is characterized by deep, cool, and highly contrasted colors, reminiscent of a clear winter night sky.

In your neutral clothing, you should opt for true black, bright white, and cool greys to provide a stark contrast that complements your vivid features.

For accent pieces, you can incorporate jewel tones like sapphire blue, emerald green, and fuchsia to add lively pops of color.

Jewelry Options:

If you prefer metal jewelry, you should choose silver, white gold, or platinum to harmonize with your cool undertones.

For gemstones, you can consider bright, cool-toned stones such as diamonds, sapphires, emeralds, and amethysts to enhance your natural tones.
